

We'd like you to meet

*Michael P. Ding*  
DDS, MD

Dr. Ding joined the practice in 2010 after an academic career that included the honor of graduating Valedictorian of his medical school class at Texas Tech University School of Medicine. His training was in Oral and Maxillofacial Surgery at Baylor College of Dentistry. Dr. Ding lectures nationally on subjects such as craniofacial reconstruction and facial trauma management. He also serves on medical and dental mission trips, providing care for underserved communities.

Dr. Ding practices at our Cedar Park location. In his free time Dr. Ding likes to stay active while pursuing his other passion of playing soccer.
