

We'd like you to meet

Andrea L. Quaroni,
DDS, MD

Dr. Quaroni brings an international perspective to our practice. Born in Italy, he came to the United States in 1980 and set down strong roots. He earned his DDS degree from Loyola University in Chicago and then earned his MD from the University of Texas Health Science Center at San Antonio. He also completed a six year residency in Oral and Maxillofacial Surgery at the same university. He joined our group in 1996, adding valuable experience in jaw surgery, cleft palate and sleep apnea. Balancing two cultures gives Dr. Quaroni a unique perspective when delivering quality care in our diverse market. He practices at our Central location.
